Spread of fake information in modern world

- **Under what circumstances can Fake-News not only be spread, but can also have a lasting effect?**

- **Agents can have both:**
  - Close network (Friends, Family etc.)
  - Friends on social media (Facebook, Twitter etc.)
- **Two kinds of agents:**
  - Standard agents
  - Influencers (Fake News, Specialists)
- **Model parameters:**
  - # of Agents
  - Degree of credulousness
  - # of connections between agents
